PROFILE SUMMARY

Motivated and technically proficient Full Stack Developer with hands-on experience in the MERN stack. Recent Computer Science graduate with practical internship experience at IBM and a passion for developing innovative web solutions. Demonstrates strong problem-solving abilities and a commitment to creating user-centric applications using modern technologies.

EDUCATION

2023-2027

AJAY KUMAR GARG ENGINEERING COLLEGE

- Bachelor of Technology in Computer Science and Information Technology

NEHRU INTERNATIONAL PUBLIC SCHOOL
Higher Secondary Education
CBSE Board Completed: 2023

WORK EXPERIENCE

- Collaborated with cross-functional teams to develop scalable software solutions
- Gained hands-on experience in enterprise-level software development practices
- Applied MERN stack technologies to contribute to real-world projects
- Participated in code reviews and followed industry best practices for software development
- Enhanced understanding of software development lifecycle and project management

SKILLS

- Frontend Development:
- Backend Development
- Database Management
- Mobile Development
- Version Control
- Development Tools: VS Code, Postman, npm/yarn
- Soft Skills: Team Collaboration, Communication, Analytical Thinking

PROJECTS

- Developed a comprehensive placement management system using MERN stack (MongoDB, Express.js, React.js, Node.js)
- Implemented user authentication and authorization features for secure access
- Created responsive frontend interfaces with React.js for optimal user experience across devices
- Designed and developed RESTful APIs using Express.js for seamless data communication
- Integrated MongoDB database for efficient data storage and retrieval of placement-related information
- Applied modern web development practices including component-based architecture and state management

CERTIFICATIONS AND AWARDS

\Virtual Internship Certifications Completed comprehensive virtual internship programs demonstrating practical application of software development skills

LANGUAGES
